ABSTRACT

ANIMAS LARAS F.M, A320070324. GENDER EQUALITY IN KATJA VON GARNIER'S *IRON JAWED ANGELS* MOVIE (2004): A SOCIOLOGICAL APPROACH. Research Paper, Muhammadiyah University of Surakarta. 2012.

The object of this research is the movie entitled *Iron Jawed Angels* by Katja Von Garnier. The major problem of this study is “how gender equality is reflected in *Iron Jawed Angels* (2004) by Katja Von Garnier” based on a Sociological Approach.

The researcher employs qualitative method; the researcher uses two data sources, namely primary and secondary data source. The primary data source is the movie itself while the secondary data source is the other sources related to the analysis such as script, books, journals, articles, and movie review. The method of data collection is library research and the technique of data collection is note taking and scene capturing.

The study comes to the following conclusions. First, based on the structural analysis of each elements, it shows that the character and characterization, plot, point of view, setting of place and time, mise-en- scene, cinematography, editing, and the other technical elements have the unity and successfully relate to one another then finally are formulated into good quality of a movie. Second, based on the Sociological analysis, it is the global issues in early twentieth century about human right especially in women right in political aspect, the women suffrage amendment in twentieth century give an effect for women social life in the turn of the century. There is no gender equal in political aspect, the women get their right to vote and join in government seat.

Keyword: Gender Equality, *Iron Jawed Angels*, and sociological approach.
